**COMMENTS**

The Public Representative has reviewed the Postal Service's Notice, the Modification (*Modification 1*), and revised supporting financial model filed under seal as part of the Notice. Based upon that review, the Public Representative concludes that the instant Modification should be approved by the Commission. The redacted Modification and revised financial workpapers that accompany the filing indicate that the changes made by this modification should result in an increase in cost coverage under the contract.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
